

Canon Burrows Friday News

Canon Burrows C of E Primary School, Oldham Road, Ashton-Under-Lyne

Issue 478 Summer 1 Term - 2021

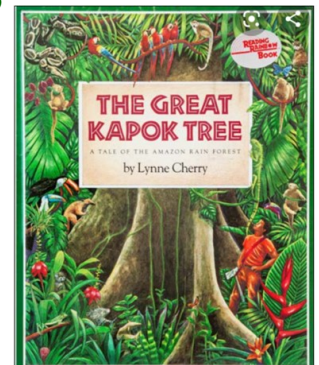

Keep up to date with all the fantastic things going on in school on our school twitter account.
Follow and tweet us: @canon_burrows

ARTS WEEK

What an amazing week we have had. The children have enjoyed lots of fantastic activities including creating their own instruments to play in a junk orchestra, making animals out of recycled materials, weaving plastic to make an Earth artwork with Mr. Clark, creating artworks inspired by the book 'The Great Kapok Tree', which teaches us the importance of looking after our natural environment, and many more activities in class. We have also enjoyed working with the sports coaches, Miss Lara, Irene and Tameside Music Service. Thank you to all those who sent in materials for us to reuse in our art activities, you have helped us create our artworks with less impact on the environment. A big thank you to the teachers and all those who have provided wonderful activities for the children to take part in.

Books are popping up everywhere!

We are so excited to launch our pop up book stall after the holiday. Visit our twitter page for the trailer video! The children in Reception, Year 1 and Year 2 will have the opportunity to visit the stall on Friday 11th June, which means they will need to make sure they are reading every night in the second week of the holiday (31st May – 4th June) and the first week back (7th – 11th June) in order to receive their book token!

Of course, we hope that you will all be reading every day so this will just be a little reminder!

For more details of the pop up book stall, see page 5 of Friday News

Attendance Award

Tidy Cloakroom Award

Mr. Horne's
Class

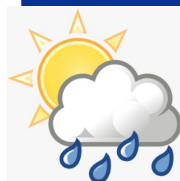

Citizen of the week
Faye, Year 4
for being an Arts Week superstar.

This week we have shown our Christian value of **responsibility**.

The Bible teaches that life is a gift from God and it is our responsibility to use our talents and abilities in the best way we can.

This week has been our annual Arts Week, based around the theme 'Reduce, Reuse, Recycle'; over the course of the week, we have shown our Christian value of responsibility in two different ways. Firstly, we have all tried our very best to use our God-given creative talents through drawing, sculpture and dance. Secondly, this week has been a reminder that we have a responsibility to look after God's creation.

'How you treat the creation, reflects how you feel about the creator.'

Although the days may start out sunny, the current changeable weather means that many children are getting wet when they go out, as they have come into school without a coat.

Please can parents ensure children have a coat with them as they will be going outside at lunchtimes whatever the weather.

This week's recipient of our my Happy mind award is:

Believing & Achieving - Ellis (Y4)

Year 2 have planted their sunflowers outside and are keeping a close eye on them to see whose is growing the tallest.

Details of after school clubs for next half-term have been sent out by email.

The app will close on 6th June, so make sure you book your space.

If your child's club starts later than their end of day pick up time, your child will wait in the classroom until it is time for their club to start. You do not need to collect your child and then drop them back off for their club.

Thank you for all the brilliant book donations that have been made to support our pop up book stall and inspire our children to get reading. We really appreciate your generosity and support.

My Happy Mind are running 60 minute masterclasses in June to help parents support their children's resilience, self-esteem & happiness during these difficult times.

For more information and to sign up visit:

<https://www.learn.myhappymind.org/masterclass-june21-sign-up>

A new club for Years 5 & 6 has just been announced.

Little Rockys will be doing a boxing class on Wednesdays (3.30 - 4.30) at a cost of £5.50 per session.

Book your place on the app before June 6th.

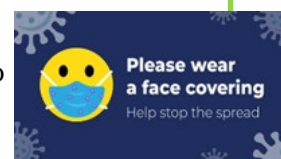

Discover the 3 STEPS

to building your child's self-esteem and happiness (even in these tough times)

School drop off & pick up

Thank you for your continued patience and support with regards to dropping off & collecting children from school. Please can you ensure you are following the guidance below.

- Please adhere strictly to your drop off & collection times and do not loiter outside the gates.
- Maintain social distancing at all times during drop off & pick up
- We kindly ask that parents/carers wear face coverings when they drop off & pick up their children
- Please do not park on the school or vets car park when dropping off or collecting your children.

Please do not send children into school if they are waiting for Covid-19 test results or if they have symptoms of Covid-19 (cough, temperature, loss of taste or smell); take them for Covid-19 PCR test.

Please inform school if you have tested positive for Covid-19 or are waiting for test results.

From the Office

Please could all parents/carers make sure that they are checking emails regularly and check that notifications are turned on, on their SchoolComms App. We are sending out lots of electronic communication at the moment and we don't want you to miss any important messages.

Alternative pick up arrangements

Please can parents/carers ensure that they let the office know if someone else is collecting their child, where possible by 2pm each day. This ensures that those who are sending children out are aware that they are going with another adult. Please can you also have a password ready, so we can ensure the identity of the person on arrival this will be recorded for future use.

Nursery Places

Parents of children currently attending Canon Burrows, who have a younger sibling approaching 3 years of age, can apply for a nursery place. Please contact the office for more information.

Children's belongings

Please can parents/carers ensure their child(ren) have everything they need at the very start of the school day in order to avoid multiple visits from parents/carers and other family members/friends to the gate. This will reduce the number of objects being passed from person to person and help reduce the risk of spread of infection.

Appointments during the school day.

Please can we remind parents/carers that wherever possible non-emergency appointments should be booked out of school hours to reduce disruption and lost learning time.

If your child has an essential appointment, please screenshot appointment letters & cards and e-mail them to the school office: admin@canonburrows.co.uk as this will also help reduce the number of contacts.

LIBRARIES

‘Books are popping up everywhere!’

The pop-up book store is arriving at Canon Burrows!

Would you like the opportunity to visit the Canon Burrows pop-up book store? The pop up shop will be full of amazing adventure stories, perfect picture books and books by brilliant brand new authors. The book is yours to keep and treasure!

What do I need to do to visit the pop-up store?

If you are in Nursery, Reception, Year 1, Year 2, Year 3 or Year 4:

Read five times a week with an adult and this needs to be written in your reading diary by an adult at home.

If you are in Year 5 or Year 6:

Read five times a week – one of these five times must be with an adult. Each time you read, you must write in your reading diary with either a summary of the key events or your thoughts about what you have read. The adult you read with must write in your diary at least once per week.

Your reading diary needs to be in school every day for your teacher to see please.

We would really encourage you to read the weekends too – the more reading you do, the better!

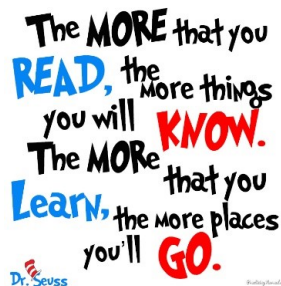

When will the book store be open?

The Canon Burrows Pop Up Book Store will be open from next half term!

Reception, Year 1 and 2's first day will be Friday 11th June and

KS2's will be Friday 18th June.

Happy Reading and see you at the pop-up book shop!

Emotionally Based School Avoidance (EBSA) and accessing further support

Information for parents and carers

COVID-19 has brought many challenges for children and young people (CYP), including changes to their usual school attendance and education. Many CYP will have returned to school easily; for others, there may be new or pre-existing feelings of worry or anxiety about attending school which might affect their school attendance.

Services across Tameside are supporting schools, families and young people who experience, or are most at risk of, emotionally based school avoidance (EBSA). We recognise the importance of working closely with parents and carers in reducing children and young people's feelings of anxiety and increasing their attendance/ supporting their return to education.

If your child is struggling with the return to school, or has struggled to attend previously, due to feeling worried or anxious, we would like to invite you to attend a virtual workshop. This will include information around anxiety and EBSA from the Educational Psychology Service, as well as information from different support services across Tameside, including:

- Early Years, Early Help and Neighbourhoods team
- Healthy Young Minds
- Kooth
- SENDIASS – Special Educational Needs and Disability Information, Advice and Support Service

There will be an opportunity to ask questions but we are unable to discuss individual cases within the workshop.

The virtual sessions will take place on:

- Tuesday 8th June, 6-7pm
- Thursday 10th June, 1:30-2:30pm
- Monday 14th June, 10:30-11:30am

Please use the link below to request a place on your preferred session.
