		<b>Key Stage 2 Value Voucher Winners</b>	<b>Mukarramah and Crystal</b>

## Attendance:

### Well done to this week's attendance winners- 2JL

Your support for your child's education is invaluable and the benefits pupils gain from being at school every day cannot be underestimated. Thank-you!

This week we have shown our Christian value of **perseverance**.

Jesus frequently encouraged his disciples to “endure patiently” the difficulties and obstacles they encountered and to persevere in the face of adversity. He himself trusted in God even when his enemies tried to stop his word and plotted his death.

In today’s collective worship, we shared work we have completed that we are proud of. We often feel proud when we have had success in an area we have previously found difficult; however, when we have persevered, we have accomplished our goal in the end. We enjoyed sharing each others’ success and seeing what can be achieved as the result of perseverance and hard work.

## Nursery

Nursery have been learning about the Canon Burrows values of Friendship in their Chatterbox sessions. They thought about what friends are and how Ruth was a good friend to Naomi because she didn't leave her. They made friendship bracelets to give to their special friends.

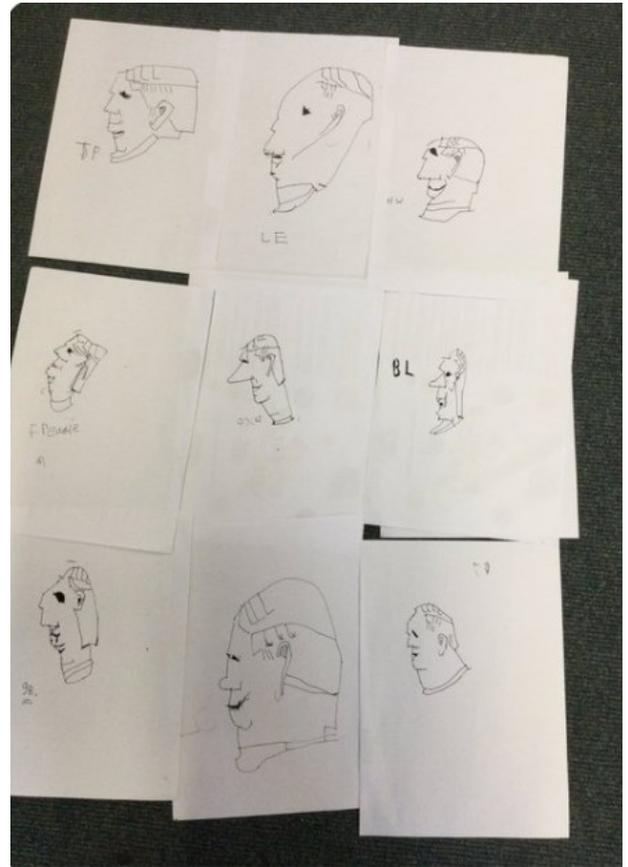

Nursery found some magic beans in the classroom. We heard the story of Jack and the Beanstalk and left them on the table to give back to Jack today. This morning, we were surprised to find that a beanstalk had sprouted up overnight! What will happen next?

## Year 1

How fabulous are Year 1's contributions for The Royal Big Portrait.

We cannot wait to see the final artwork.

## Year 2

In Year 2, we have been thinking about special places in RE. We used watercolours to paint places that are important to us.

## Year 5

Year 5 practiced their Macarena dance moves to help them remember the months of the year in Spanish.

Look at this amazing piece of art created by one of our Year 5s for his Earth Day homework. His drawing really highlights the beauty of God's creation.

## Collective Worship

In collective worship, we shared work we are proud of. Some people shared art work, some RE learning and others a piece of writing. It was an amazing showcase of all of our different talents being used in the best way.

## **KEEP THE SPRINKLERS OFF**

**If you have a garden then remember to keep the sprinklers off! There's lots of ways to water your garden without them – invest in a water butt that collects water throughout the year for you to use, or try using cooking water instead. Your plants will benefit from the extra nutrients!**

**We're looking for your best water-saving tip to be featured in Friday News! Share your idea and help spread the word about conserving this precious resource.**

# Infant Singing

**Free to join**

A friendly introduction to singing in a group for children aged 4,5 and 6  
Email [musicservice@tameside.gov.uk](mailto:musicservice@tameside.gov.uk) to book

**Every Thursday  
in term time**

**4.25pm - 4.55pm**

*Birch Lane Centre, Dukinfield, SK16 5AU*

Activat  
Go to Set

If you have any picnic blankets that you could donate for our coronation picnic, please can you send them into school. If you would like them back, please ensure you put your name on them! We need lots more!

Year 5 are beginning to prepare for our annual Science Fair. For one of their experiments, they need lots of plastic bottles. Over the next few weeks, rather than adding them to your recycling, please bring any empty plastic bottles into school for Year 5.

Children should be in school PE kits (blue/black joggers/shorts and a yellow t-shirt).
