

Canon Burrows PE and School Sport Premium Impact Report 2021/2022

Vision

Our vision for PE and School Sport is to create a culture that encourages all children to be active and healthy adopting positive attitudes towards competition, physical activity and healthy lifestyles.

Funding information

The PE and Sport Premium provide ring fenced money to primary schools to improve the quality of the PE and sport activities they offer their pupils. The funding is currently worth £150 million per year and is provided jointly by the Department for Education, the Department of Health and the Department for Culture, Media and Sport. Former Prime Minister David Cameron announced in February 2014 that the Government will commit funding for the Primary PE and Sport Premium to 2020.

Basis of allocation

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

For the academic year 2019-2020, Canon Burrows CE Primary received a total of **£19530** to improve the quality of PE and School Sport. 7/12ths of this allocation was received in autumn 2019 and 5/12ths in spring 2020.

Funding at Canon Burrows:

The funding at Canon Burrows has helped to develop a programme which includes:

- High quality physical education as part of the curriculum
- A wide variety of extra-curricular clubs for those wanting to progress skills
- A range of competitive school sport opportunities for all children
- Opportunities for children to undertake and experience leadership in PE and sport.
- Activities designed to meet the needs of our least active young children through schemes such as Change4Life clubs.
- A range of CPD opportunities for staff
- A comprehensive action plan for all areas of PE & school sport

We believe high quality physical education and school sport will contribute to a range of outcomes for our children. Not only does it equip young people with physical literacy, supporting their physical development, movement skills and body confidence, but it also contributes to their physical, mental and social well-being.

Funding

| Total amount carried over from 2020/21 | £O |
|---|--------|
| Total amount allocated for 2021/22 | £19530 |
| How much (if any) do you intend to carry over from this total fund into 2021/22? | £/ |
| Total amount allocated for 2021/22 | £19530 |
| Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022. | £19530 |
