Don't forget to record your reading on 'Boom Reader' using the website or the app.

In Year 4, we love reading and know how important it is to read regularly.

We know some of you may have read lots over the holidays and that some of you may be needing a good book to get you reading again.

Hopefully, the ideas on these pages will inspire you all to get lost in a good book!

Why is reading important?

If you read for **1 minute a day**, you will see **8,000 words** a year.

If you read for **5 minutes a day**, you will see **282,000 words** a year.

If you read for **20 minutes a day**, you will see **1,800,000 words** a year!

Imagine the impact over a million new words would have on the rest of your learning!

This term, we will be focusing on our Christian value of **TRUST**. Trust is the basis of all stable relationships, including a person's relationship with God. It is rooted in truth, and will grow through consistent experiences of reliability and integrity. God's commitment to humanity is seen in his willingness to trust ordinary people with the carrying out of his purposes through history.

Prayer for Trust

or leave us on our own.

You are always there for us.

Amen.
