## Miss Matthew's Class

Isabella in Year 2 for her kindness and compassion. She grew her hair for several years purposely to donate it to the Princess Trust. Altogether she raised £700.

## This week we have shown our Christian value of **thankfulness**.

Christians believe that God loves and cares for them in many different ways in all aspects of their life. They know that their response to this provision should be one of thankfulness and praise.

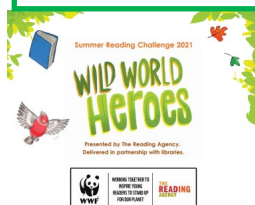

What a year it has been! But as well as the struggles, the last academic year has been full of things to be thankful for. Over the course of the year, we have supported many grateful charities through our 'Friendship Project' and harvest and Christmas toy appeals. We have still managed to hold some of our annual events, albeit in a slightly different format, such as Christmas performances and Royal Shakespeare festival. We have also held many of our usual extra curricular weeks, including Book Week, RE Week, Healthy Body, Healthy Mind Week and Arts Week.

As well as being thankful for all we have achieved, we are also thankful for your continued support through such a difficult year for everyone.

**Thank you!**

Mrs Thompson is looking for some talented knitters, who can make us some Nativity sets for Posadas in the build up to Christmas. If you would like to be involved, please contact Mrs Thompson via the office to receive a copy of the knitting pattern.

Don't forget this year's Summer Reading Challenge has now launched in libraries and children can also take part online at

**WIN £5,000**  
of National Book Tokens  
for your school library

There is not long left to go online to nominate Canon Burrows for the chance to win £5,000 of National Book Tokens for our school library & £100 of National Book Tokens for yourself. The closing date for nominations is **Saturday 31st July**. The more entries for our school, the higher our chance of winning.

[nationalbooktokens.com/schools](http://nationalbooktokens.com/schools)

Thank you for all the book donations that have been made for our pop-up bookstall, we would still be very grateful for further donations of books in good condition so that the bookstall can pop-up again in the Autumn Term.

The Big Butterfly Count is a UK-wide survey aimed at helping us assess the health of our environment simply by counting the amount and type of butterflies (and some day-flying moths) we see. Between **Friday 16 July and Sunday 8 August** choose a place to spot butterflies **and** moths. Watch for 15 minutes. Then record which species you see either on the app: <https://butterfly-conservation.org/our-work/recording-and-monitoring/irecord-butterflies> or website: <https://bigbutterflycount.butterfly-conservation.org/map>

You can do as many counts as you want to!

Mini Messys will be running summer holiday camps at Canon Burrows over the summer holidays. Please see page 6 of Friday news for more details.

There have been many challenges over the past year but we have had a fantastic year with lots of lovely memories, many of which can be found on our Twitter page. We are really proud of how our pupils, staff, parents, governors and the whole community have pulled together and looked after one another. We hope you all have a lovely safe summer holiday and enjoy a well deserved break. We look forward to seeing the children back at school refreshed and ready for their new year's learning on

**Thursday September 2nd.** The gates will be open for all children at 8.45am and will close 8.55am. Early Years children will come through the main gate and all other children will come through the back gate. We are asking for parents not to come on the back yard in the morning but you please come on the back yard at the end of the day to pick up. Both gates will open at 3.00pm for the end of the day at 3.10pm.

*This morning we held our end of year celebration assembly. Well done to all those children who received awards & certificates.*

*Our special end of school awards went to:*

*Jim Cronshaw Award (Arts) - Harry M*

*Albert Brookes Award (Sport) - Lily B*

*A special well done to all to these Year 6 children.*

With limited swimming over the past year and the recent reports in the news of accidents around water, it is important to remind children how to be safe alongside water. These resources may be helpful at home:

## **From the Office**

**Please could all parents/carers make sure that they are checking emails regularly and check that notifications are turned on, on their SchoolComms App. We are sending out lots of electronic communication at the moment and we don't want you to miss any important messages.**

### **Alternative pick up arrangements**

Please can parents/carers ensure that they let the office know if someone else is collecting their child, where possible by 2pm each day. This ensures that those who are sending children out are aware that they are going with another adult. Please can you also have a password ready, so we can ensure the identity of the person on arrival this will be recorded for future use.

### **Children's belongings**

Please can parents/carers ensure their child(ren) have everything they need at the very start of the school day in order to avoid multiple visits from parents/carers and other family members/friends to the gate. This will reduce the number of objects being passed from person to person and help reduce the risk of spread of infection.

### **Appointments during the school day.**

Please can we remind parents/carers that wherever possible non-emergency appointments should be booked out of school hours to reduce disruption and lost learning time.

If your child has an essential appointment, please screenshot appointment letters & cards and e-mail them to the school office: [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk) as this will also help reduce the number of contacts.

## Fuel 4 Fun Summer Programme

Marcus Rashford MBE and Henry Dimbleby MBE (the co-founder of Leon who leads the National Food Strategy) and the Food Foundation are working together to help promote the Government's new Holiday Activities and Food (HAF) programme. The HAF programme provides free places to all children eligible for benefits-related free school meals.

In our area, Active Tameside is putting on activities to ensure that children from disadvantaged backgrounds can enjoy healthy food, take part in lots of great activities and hang out with their friends as well as making new ones, along with food hampers.

This is in addition to the supermarket vouchers for children in receipt of free school meals.

Booking forms for the food hampers and holiday camps were sent by email, as attachments, with last Friday's issue of Friday News (16th July).
