Blue Gates

Just a reminder that the BLUE gates are automatically open during the following times:

07.30a.m. until 9.00a.m.

Out of School clubs

The Spring term programme has been prepared this week and is now available on the website & from outside the school office. Bookings are made via the schoolcomms/gateway app on a first come, first served basis. The app will be available from 1st -13th December. If there are any available places for clubs after the registers have been processed, the app will reopen.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

School Dinners

There is a varied choice of menu each day, however it is not always possible to accommodate your child's 1st choice. To alleviate food waste a set number of each choice is made fresh each day and a selection of each is made available for each year group. Therefore, although we try to ensure each child has their choice, this is not always possible and we do encourage children to try new foods that they may not have tried before.
