

Canon Burrows Friday News

Canon Burrows C of E Primary School, Oldham Road, Ashton-Under-Lyne Issue 395 Autumn 2 Term - 2018

Thank you for all the fantastic shoeboxes that have arrived in school so far. All filled shoeboxes must be brought into school by next Tuesday (27th November.)

Miss Fildes brought Bertie the dachshund in to visit EYFS on Wednesday. She told the children all about how she looks after & cares for him.

Thank you to all the nursery parents/carers who were able to come along to the stay & play session on Thursday. We hope you enjoyed joining in with all the lovely activities your children get to take part in.

On Wednesday, Hannah, William & Tommy S (Y3) and Ali, Hao & Tabitha (Y4) were lucky enough to go along to Holden Clough to take part in a more able children's maths activity day. They had a great time doing a wide range of fun maths tasks.

From the Office

Distinguishing Marks Form

A distinguishing marks form is being sent out by e-mail today and further copies will be available from the school office. Please complete the forms if your child has any distinguishing marks, so that there is no confusion over whether a child has injured themselves or simply has a birthmark etc.

Out of School clubs

The Spring Term programme is now available on the website & from outside the school office. Bookings are made via the schoolcomms/gateway app on a first come, first served basis. The app will be available from 1st -13th December. If there are any available places for clubs after the registers have been processed, the app will reopen.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

Willow Wood Christmas flumpets (£2) & Christmas stickers (£1) are now on sale at break times.

A team of volunteers from Enterprise car rentals came into school on Thursday, to work with Year 5. The children had great fun taking part in workshops learning how to run a business, work as a team to set a goal, make decisions & solve problems together and use practice and thinking skills to get better at making and selling a product. The children made origami jumping frogs, which they then bought and sold trying to make a profit (chocolate coins! Which as you can guess were thoroughly enjoyed at the end of the session.)

A big thank you to Enterprise for coming into school and particularly to Gaynor from Business in the Community for organising the day.

Calling all parents and carers, your school council needs you!

As you may know, every year we host a Valentine's Disco. The children love these discos because they are chance to have a dance with friends, dress up and have fun. Our discos are not possible without our kind and dedicated parent volunteer team to help cook hot dogs, sell refreshments and put up decorations.

On February 12th 2019, we hope to have you on our team to make it the best Valentine's disco ever! If you would like to volunteer and be a part of our team, then please email Mr. Horne andy.horne@canonburrows.co.uk

We look forward to hearing from you.
