Please can parents/carers ensure that all children have an appropriate outdoor P.E. kit for the cold weather. This comprises blue or black jogging bottoms, a yellow or white t-shirt, a blue or black jumper and outdoor trainers. Please can each item also be named to ensure it can be returned, if it becomes lost.

The junior inspection took place yesterday (Thursday). Mrs. Thomas, Miss Fildes and the team of junior inspectors visited all the classes to see the quality of learning. Their report will be published on the school website in the future and they will also give feedback to the school in an assembly.

Thank you to all the Year 3 and 4 parents/carers who were able to come in this week to the English 'come and see' sessions. We hope you enjoyed finding out more about your children's learning.

Thank you to all those Year 2 parents & carers who were able to attend the SATs meeting on Wednesday. The presentation will be available on the Year 2 blog for those who were unable to attend.

We have had the fantastic news this week that Canon Burrows has entered the Eco Schools Hall of Fame. The hall of fame is for the longest standing Eco Schools and those who have held a Green Flag for at least 20 years. Canon Burrows was one of the first schools in England, and the very first in Greater Manchester, to gain an Eco School green flag in 1998.
