2) **Discussion about actions from the PCSO meeting (parking/traffic)**

- Harry shared the PCSO's concerns about needing to close the road in order to put into place the parking restrictions suggested.
- We started to think about the parent survey:

Where do you park when you drop your child off in the morning/what time do you arrive to school?

Would zig zags outside of school stop them from parking there?

Would having PCSO's outside school during parking time help?

Could we utilise the space on farm food car park?

Would parents respond well to PCSO's giving out 'nice' tickets/leaflets?

Do you walk to school in the morning? Tilly suggested we share a map with parents showing miles and suggest parents who live close by could walk.

- Miss.Howard let everyone know that we will need to start designing some signs to go outside school. Dylan suggested we could have a competition. Tilly suggested it could be homework and promoting it on Friday News.

Dylan – Could children who wanted to run stalls at the disco?

Robyn – Ice cream and candy floss?

Advert to go in Friday news from December to see if any parents could help with the Valentine's disco. Posters to go up around school?

Tilly - School council could run stalls, e.g cake stall before the valentine's disco to raise funds – split it between charity and funds.

Robyn – Could we donate money to charity that we raise through the disco?

All children agreed we should still have a DJ.

Esme – Could we have a photographer?

Harry – A Photo booth?

Robyn – Disco ball?
