

# Canon Burrows Friday News

Canon Burrows C of E Primary School, Oldham Road, Ashton-Under-Lyne Issue 409 Spring 2 Term - 2019

Please can we ask that parents/carers are considerate of our neighbours and the safety of our children when they are dropping off or picking up from school. Parents could consider the benefits of 'park & stride', parking a little further away from school and walking part of the journey, which would prevent illegal parking around school and also help to ensure children's safety around school.

*Sue Harding, from North West Drama Services, came into school on Wednesday to launch this year's Children's Shakespeare Festival topic with Year 4. Each class had a fantastic workshop introducing them to 'The Tempest', the play they will be studying next term and performing at the Royal Exchange later in the year.*

## From the Office

### Out of School Clubs

The apps for Summer Term clubs are now open for payments and will remain open until April 8th. If there is no payment option for a club, it means that there are no spaces left on that club. Payment options will only show when there are spaces left. Full details of all the clubs are available on the Canon Burrows website, attached with this Friday News and paper copies are available in the letters files outside the school office.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

## Charity Stall

Well done to Alice, Isabel H, Mollie & Lily in Year 4 who raised a whopping £131.79 for Kingfisher School's Big Splash appeal.

PLEASE CAN PARENTS/CARERS ENSURE THAT ALL ITEMS OF SCHOOL UNIFORM ARE NAMED, INCLUDING COATS AND PE KITS, SO THAT ANY LOST ITEMS CAN BE RETURNED TO THEIR RIGHTFUL OWNER.

Thank you for all the Easter Eggs that have been sent into school already, any further donations will still be gratefully received. In addition to our annual Easter Egg raffle, this year some of the eggs we receive will be given to those less fortunate as part of Share the Miracle. Please can all donations be sent in to Miss Hulme or Mrs. Whitaker. Tickets for the raffle will be on sale at break & lunchtime in the main corridor, at a cost of 20p per ticket.

It has been RE week in school this week and there have been lots of exciting things going on. On Monday John Griffiths came from Christian Aid to lead collective worship about climate change, becoming global neighbours and putting faith into action. He also led workshops with Year 4 about climate change.

Reverend David came in to lead KS1 collective worship on Tuesday and talked about confirmation.

All week we have had artist Wendy Moore, The Fairy God Mum, painting a beautiful mural in our prayer area. She has painted a tree showing all our school Christian values. Last year, the children were asked to create designs around our Christian values and a number of these designs have been chosen to be painted by Wendy. Well done to: Miss Adamson's class for their design for thankfulness, Georgie - trust, Olivia E - forgiveness, Lola-Rae - friendship, Gracie S - generosity, Sam Mc - service, Ray - justice & Lenny - wisdom.

All the work the children have done during RE week will be shared in the Sunday service at Christ Church on April 28th.

### Turning off the Lights Award

Mr Richardson's Class

### Attendance Award

Miss Sutton's Class

### Tidy Cloakroom Award

Miss Adamson's Class

Citizen of the week  
Archer, Year 1

This week's Footytotz  
player of the week:  
Jemima

Well done to the Year 6 boys football team for their victory over St. Paul's last Friday. The game was very close with a final score of 1-1. As it was a semi-final, the teams had to go to penalties, which were won by Canon Burrows. The win means that the team have made it through to the final of the Holmes Cup, which will be played on Thursday 2nd May at St. Damian's. We hope you can come and support your team.

They are also in the quarter-final of the Heywood cup against Manor Green next Tuesday at Curzon Ashton. We wish them all, good luck on Tuesday.

*Our multiplication journey.*

*Well done to all these children for achieving their certificates.*
