ARTS WEEK

It has been an amazing Manchester themed Arts Week.

We started the week with a wonderful outdoor celebration joined by the Lichfield Diocesan Mobile Belfry to ring out our bells for peace and see all the fantastic costumes that everyone wore. Thank you to all the parents/carers and children for all the effort that was put into the amazing array of costumes that the children wore on Monday. One of the costumes had even been featured on the MEN website:
www.manchestereveningnews.co.uk/news/greater-manchester-news/seven-year-old-girl-choose-16302053

We continued on Monday with the creation of our giant art attack bee. Thank you to all those who brought in coloured objects to place on the bee. Can you spot your items on the photo?

On Tuesday, My Masterpiece set up our own gallery in the hall. We hope those of you that came to look enjoyed all the children's artwork. Please see next page for important information about the My Masterpiece artworks.

Throughout the week the children have had lots of chances to take part in Manchester themed arts & crafts. Here are just a few examples: Nursery have made paper plate and playdough bees; Year 1 have made class beehive collages and space invader art; Year 2 have made pop art worker bees and collaged Vimto bottle pictures; Year 3 have made bee biscuits and collages featuring inspirational Manchester people; Year 4 have made friendship bracelets and clay flowering bee pots; Year 5 have made honeycomb tiles and Manchester Airport or worker bee moving mechanisms and Year 6 have created bee mosaics and collaborative pieces based on Jackson Pollock & The Stone Roses.

Lots of children have also had the chance to plant bee friendly flowers & seeds with Mr. Clark, sing songs about Ashton with Mrs. Crebbin, do Manchester themed dance with Miss Lara, have a musical session with Mrs. Green or take part in art sessions with Ann from Green Monster Arts to create artworks that will form a permanent bee trail around the school grounds. Thank you to all of them for their hard work with the children.

There have also been lots of trips to Manchester galleries & museums. Reception & Year 4 have visited the Whitworth Art Gallery, Year 2 & Year 5 went to Manchester Art Gallery, Year 1 visited Manchester Museum, Year 3 headed to the Science & Industry Museum and Year 6 went to the People's History Museum

Thank you to all those parents/carers, children & staff who brought in plants and seeds for planting, along with thanks to Gordon Rigg Garden Centre, City of Trees and Marsden Moor National Trust Estate for their help with plants for our bee friendly gardens.

Thank you for all the donations that have been made so far, the donations through the app have raised £361. The schoolcomms app is still open for any further donations.
