Well done to Dylan in Year 6 for his appearance on newsround on Wednesday, promoting all his eco work.

Year 1 had a brilliant trip to Smithills Farm on Wednesday. They enjoyed a tractor ride, donkey rides, fed some lambs, watched cows being milked and stroked some chicks and rabbits.

Thank you to Natasha from Jagers dance and the children in Strictly Junior Stars after school club for their great performance, showing all the moves they have learnt, in assembly on Thursday. Strictly Junior Stars after school club will be running again next year on Tuesday after school for KS1 & Years 3 & 4.

We received a lovely email this week regarding all our teams that entered in the Manchester United Community Cup - Class of '19 competition, which we wanted to share with you.

Firstly, please let me congratulate your school on reaching the finals event for our 'Manchester United Community Cup – Class of 19'. We have had more schools compete this year than ever before and have run over 16 tournaments in total, meaning over 120 different schools have been down and participated. So we hope you and your school see it as a major achievement in making the finals day alone.

With regards to the day, I would like to again say how well behaved your children were; they were a credit to themselves, their parents and the school. The standard of football on show was of the highest calibre, but more importantly it was played in the right spirit and manner.

Finally, a huge congratulations goes to Canon Burrows Primary School in Tameside who were crowned Year 2 winners after beating Manchester Road Primary in a close final with the teams being inseparable until a tense penalty shoot-out meant Canon Burrows went away with the trophy.

Well done to Ellis S in Year 5 who has been invited to train with the Manchester United powerchair football team, after attending an open day last Saturday and impressing the coaches and players with his powerchair control skills.

From the Office

Dinner Provision

If you have not returned the letter about your child's dinner provision for September, they will continue to receive their current provision.

Safeguarding

Parents/Carers must notify school if a child is absent from school for any reason (including holidays). There have been numerous occasions where we have failed to make contact with families regarding 'Missing' Children. Following our Safeguarding Policy this means that Staff have to make home visits and if this is unsuccessful we then have to contact the Police and Social Care. As you can appreciate this a waste of valuable time and money for professional services. It is not just about the children being absent, we also have a duty of care to ensure the safety of ALL the family. Please can you share this information with all family members and childcare providers who may drop off/collect your child/children.

Security

If your child brings a bike or scooter to school it is at parents/carers own risk. You may, if you wish, chain the bike/scooter to the bike rack/railings. There has recently been incidents where a bike was stolen overnight and a scooter was also taken, but this has since been returned. We do our best with the CCTV cameras that we have.

Out of School Clubs

The final after school clubs, for this school year, will take place tonight (Friday 19th). There will be NO out of school clubs next week. Autumn term clubs will start in the week beginning Monday September 9th.

May Bank Holiday 2020

As you are probably aware the Government has changed the date of the May Bank Holiday 2020 from Monday 4th May to Friday 8th May. This is to coincide with VE Day (End of WW1) celebrations. This means that children will be required to attend school on Monday 4th May, but school will be closed on Friday 8th May.

Out of School Clubs

Autumn Term Clubs

Lots of places have already been booked for Autumn term out of school clubs, but there are still spaces available on some clubs. The app is open until August 18th. To book a place on Young Engineers, parents need to sign up directly at www.stemkids.co.uk. **If there is no payment option for a club on the app, it means that there are no spaces left on that club.** Payment options will only show when there are spaces left.

There is an amendment to Tuesday gymnastics, there is no club on Tuesday 8th October, this will now be an 11 week course and the cost will be £44.

Tameside School Meal Price: 1st September 2019

With effect from 1st September 2019, the price of a standard, two course, fully inclusive meal will be **£2.30** per pupil.

Foodbank Donations Appeal

You may be aware that there is an appeal to stock up foodbanks before the summer holidays.

We would like our school community to help. Please could you donate something, however small, and we will send it all to a foodbank.

Suitable items (with long best before dates) include: tinned fruit, tinned vegetables, tinned meat, tea, coffee, cereal, tinned/packet soup, rice, pasta, tins/jars of pasta sauce, packets/tins of lentils, beans & pulses, biscuits, UHT milk, longlife fruit juice.

Please do not send in fresh food (fruit/vegetables/meat/fish etc.) as these are not suitable, only non-perishable tinned/dried foods.

The Trussell Trust also provides essential toiletries and hygiene items, so if you wish to donate any of the following they would also be very welcome: toothbrushes, toothpaste, toilet paper, shower gel, shaving gel, soap, deodorant, laundry powder, laundry liquid, washing-up liquid, sanitary products, nappies and baby wipes.

Please send all donations in by Thursday (July 25th) as they will be collected on Friday to be taken to a foodbank.

Thank you to Mrs Dearnley for bringing this to our attention and offering to collect all our donations.
