Thank you to all our Year 6 children for buddying up with our reception children at lunch times this week. The Year 6 children have been setting a good example of how to eat lunch and show good behaviour in the dinner hall.

# From the Office

## Lunch Provision

A significant number of children have changed lunch provision without giving the office sufficient notice. This has had a major impact on kitchen staff and has resulted in a large amount of wasted food. As a result, parents who had not informed the office of a change, according to our records, will be charged for school meals for this week.

## May Bank Holiday 2020

As you may be aware the Government has changed the date of the May Bank Holiday 2020 from Monday 4th May to Friday 8th May. This is to coincide with VE Day (End of WW11) celebrations. This means that children will be required to attend school on Monday 4th May, but school will be closed on Friday 8th May.

## Safeguarding

Parents/Carers must notify school if a child is absent from school for any reason (including holidays). There have been numerous occasions where we have failed to make contact with families regarding 'Missing' Children.

Following our Safeguarding Policy, this means that Staff have to make home visits and if this is unsuccessful we then have to contact the Police and Social Care. It is not just about the children being absent, we also have a duty of care to ensure the safety of ALL the family. Please can you share this information with all family members and childcare providers who may drop off/collect your child/children.

## Security

If your child brings a bike or scooter to school it is at parents/carers own risk. You may, if you wish, chain the bike/scooter to the bike rack/railings.

## DATES FOR YOUR DIARY
