Please can all school sports kits be returned to Mr. Richardson as soon as possible, so they can be used by other children in the large number of events we have involving school teams. Thank you.

Thank you to all those who were able to attend our Harvest service at Christ Church on Sunday. Thank you to all those children who took part and for all the donations made towards the food bank. We hope you enjoyed the service.

Thank you for all the sponsorship of the children in their 5-a-day challenge for our 'Wonderful Women, Wonderful World' Harvest appeal. Together we raised a wonderful £1,113.79 for Christian Aid.

2RD went up to the ICT suite on Thursday afternoon to play some number bonds games that the Year 6 children have created using Scratch. Well done to the Year 6 children for their super games and for helping the Year 2 children to play them.

Nursery held a competition to design a face for their Jack-O-Lantern. Well done to Ali, his design has now been carved into a pumpkin and the pulp was used to make a pumpkin pie.

Well done to all those children who received value vouchers this week.

We have 2 beautiful new VIP voucher boxes in school for the children to put their VIP tickets in. Both boxes look the same apart from Key Stage 1 or 2 written on the top, so it is a good idea if your child(ren) know which Key Stage they are in & which number to look for on the top of the box.

Well done to the Year 5 & 6 children that attended the Cool Kurling festival at Astley Sports Village on Tuesday. They all had a great time and showed great determination.

The Year 3 & 4 girls who went to Curzon Ashton to take part in the football festival on Thursday won 1 match, drew 1 match & lost 1 match. They had great fun taking part and showed good team work. Thank you to Archie (Y5), Eddie & Sammy (Y6) for helping lead the warm-up and giving the girls help with tactics.

Oldham Athletic F.C have kindly given school 30 season tickets for league matches at Boundary Park. In order that the most people can benefit from these, we will loan them out on a first come, first served individual match basis. The tickets are for adults, as well as children, so if you & your children would like to go to a particular match, please get in touch with Mr. Richardson. Tickets will need to be returned to Mr. Richardson after each match.

Well done to Mollie (Year 5) & George (Year 1) who completed the 5K Memory Walk and raised money for the Alzheimer's Society.

Calling all parents and carers, your school council needs you!

As you may know, every year we host a School Valentine's Disco. We love these discos, because it gives us a chance for us to have a dance with our friends, dress up (which we all love to do!) and most importantly, have fun!. Our school discos would not be possible without our kind, caring and dedicated parent volunteer team who help cook hot dogs, sell refreshments, put up decorations, and so much more!

This year, we hope to have you on our brilliant team and to make this the best Valentine's disco ever in Canon Burrows history! If you would like to volunteer, (which would be great), and be a part of our team, then please email Mrs. McQuillan zoe.mcquillan@canonburrows.co.uk

We look forward to hearing your responses,

School Council team Indiya and Freya

TOOTH DECAY IN CHILDREN ON THE RISE

BAD NEWS - 30% of five-year-olds and 46% of eight-year-olds have tooth decay in their baby and adult teeth, and this problem continues as children get older. 34% of 12-year-olds and almost 50% of 15-year-olds have decay in adult teeth. Tooth decay causes pain, often resulting in days off school and parents having to take time off work.

Tooth decay left untreated can lead to tooth loss in children. The loss of baby teeth through decay can severely affect the alignment of adult teeth and result in more treatment and even braces. By the age of 7 most children have some adult (permanent) teeth, early loss of adult teeth can create serious problems in the future.

GOOD NEWS - The good news is nearly all dental disease is preventable.

How teeth are cared for during a child's early years has a strong impact on the health of their teeth in adulthood. Mouth health plays a vital role in a child's general well-being, reducing decay and protecting their teeth for years to come.

It is highly recommended that children should go to the dentist with their parents/guardian as soon as possible to get them used to the noises, smells and surroundings and prepare them for future visits. You should then take them regularly, as often as your dental team recommend. The earlier these visits start, the more relaxed the children will be in future appointments.

Oldham Road Dental Surgery has recently come under new management, recently taken over by Mrs Amna Butt (formerly Dr Hafiz's dental surgery) and we have some spaces to register under 16s for NHS treatment.

If your child is currently not registered with, or not seen a dentist for some time please call us on 0161 339 5426 and a member of our team will be happy to help and arrange a new patient exam.

PS. Did you know that dental products available at Lidl, Aldi, Tesco's own brand and Sainsburys own brand are all accredited by the Oral Health Foundation, just look for this symbol:
