## Important Notice

Mrs. Lamont will not be on the school crossing after school on Tuesday February 4<sup>th</sup>.

**EYFS will be having a Superhero Day next Friday, February 7<sup>th</sup>. EYFS children can come to school in their own clothes or dressed as a superhero.**

We have been informed by a concerned parent about a number of older children from school crossing Oldham Rd between cars and moving traffic and not using the crossing. While staff have spoken to children about road safety and the importance of using the crossing at the beginning and end of the day, it is important that parents/carers are also giving this message to their children.

Thank you to all the Year 1 parents who have returned their questionnaires so far. Please can any further completed questionnaires be returned as soon as possible.

Thank you to all those who came to Christ Church on Sunday to our plastic free week service. We hope you enjoyed it. Thanks also go to all the children and staff who contributed to making it such a success.

PLEASE CAN WE ASK PARENTS/CARERS TO ENSURE THAT CHILDREN ARE ONLY BRINGING WATER IN THEIR DRINKS BOTTLES, NOT JUICE. THANK YOU.

An increasing number of school library books & reading books are being returned to school damaged. Please can you ensure that your children are taking care of these books and can we ask that drinks bottles are not put in book bags. Thank you.

Nursery have been foraging around school for natural materials to decorate a superhero.

IT HAS BEEN A BUSY WEEK FOR YEAR 4 THIS WEEK. ON TUESDAY, SUE HARDING FROM THE CHILDREN'S SHAKESPEARE FESTIVAL CAME IN TO DELIVER AN INTRODUCTORY WORKSHOP ABOUT THIS YEAR'S PLAY 'ROMEO & JULIET'. THE CHILDREN HAD A GREAT TIME IMMERSED THEMSELVES IN THE CHARACTERS AND LEARNING MORE ABOUT THE PLAY.

Thank you to Indiya, Yash & Ayaan N in Year 6 for leading collective worship this week, celebrating their faith.

Thank you to all those parents/carers who have been into Year 3 come & see sessions this week. We hope you enjoyed finding out more about your child's learning.

Well done to all those children that performed at Manchester Arena on Wednesday in the Young Voices concert. The children had a wonderful experience and were a credit to school. Thank you to all those parents/carers who were able to come along and support.

On Wednesday, Year 4 went to Chester Zoo. They saw giraffes, elephants, tigers, chimpanzees & bears. They also had a fascinating workshop making stop motion animation about tigers in Nepal whose habitats are under threat.

## Value Voucher V.I.P

The children having lunch at the V.I.P table with Miss Drake & Miss Gaskell this week are:  
Reeva & Grace (Rec), Jai (Y2), Eva (Y3), Tom L & Zackary (Y4)  
Well done to all those children who received value vouchers this week.

Well done to the chess team on their 2-2 draw against Flowery Field on Thursday.

## From the Office

### Out of School Clubs

There are some out of school clubs which still have places available. The app has now reopened for these clubs and will close on Friday 14<sup>th</sup> Feb. If there is no longer a payment option for that club, it means it is now full.

Please could you email, text or phone the office if you book your child on to a club, so that they can be added to the register, as the app will only be checked once a week.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

Please can all parents/carers ensure that they sign in at the office if they are coming into school for any reason.

## DATES FOR YOUR DIARY

Wednesday 5th February - Chess match away @ St. Raphael's 3.30pm

Monday 24th February - INSET day (School closed for children)

Tuesday 25th February - 8.45am School re-opens for children

# SAW Week 2020

# SPACE

This year, Science, Art and Writing week begins on **Monday 10<sup>th</sup> February** and the theme is **SPACE**! The week will begin with an exciting planetarium experience for all of the children. We are also very lucky to have lots of expert visitors coming in to school to share their knowledge and passion with us, including engineers, researchers and astronomy societies. During the week, each year group will focus on one of the planets in our solar system as well as a key British person currently working in the space industry. Our Year 5 children will also be doing a superb job of leading the annual Canon Burrows science fair.

On **Monday 10<sup>th</sup> February** please can your child come to school dressed as something related to space. It could link to their planet or key person but does not have to.

Three weeks later, on **Monday 2<sup>nd</sup> March**, members of Manchester Astronomical Society will be leading a skywatch night at school from 6:30pm-7:30pm. All are welcome – adults and children alike! Come and observe the night sky as you have never seen it before – through a telescope alongside passionate enthusiasts. Look out for a letter closer to the time with a reply slip to return.

Thank you in advance for your support!

Miss Jamieson (Science subject leader)

	Planet	Key person
Nursery	Mercury	<b>Tim Peake</b> , Pilot and Astronaut
Reception	Venus	<b>Helen Sharman</b> , Chemist and Astronaut
