After hearing of our Eco success at the Awards ceremony in December, ex-teacher Mrs. Josie Nickson sent a lovely congratulations card and a donation for school to spend on green items.

Knowing of her love of birds it was decided to purchase a bird feeding station and some bird boxes. On Thursday afternoon some children from Year 5 and Year 3 helped to put these up in the school gardens.

With the super new bird hide on the EYFS tree house children can now spend time bird watching and identifying the animal visitors to the school grounds.

From the Office

Out of School Clubs

There are some out of school clubs which still have places available. The app has now reopened for these clubs and will close on Friday 14th Feb. If there is no longer a payment option for that club, it means it is now full.

Please could you email, text or phone the office if you book your child on to a club, so that they can be added to the register, as the app will only be checked once a week.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

Absences

If your child is absent from school you MUST contact the school office by 9.00am. If we have not had contact with you this will result in the school having to contact all members of your contact group. If this is not successful, a home visit, then either the police and/or social services will be contacted. We have a duty of care to ensure your child and the family are safe.

Letters

A reminder that as an ECO school we no longer send out hard copies of letters. All letters are emailed out and can also be accessed on the school website. Please make sure we have up to date email addresses and that you check your emails regularly.
