

Answers from last week (WB 27.4.20) on Chapter 5

1. A balloon is blown up with air and grows from being a very small flat piece of elastic/rubber to being a big, expansive shape. This is how Harry must have felt—as though his heart was going to burst he was so happy, just like a balloon might burst if it was full. When we feel extremely happy, we sometimes feel like we are swelling or growing to match the increase in happiness!
2. B—tapping
3. It is run by Goblins and Hagrid says it is the safest place in the world for 'anything yer want to keep safe'. There are 'dragons guardin' high security vaults' and it is hundreds of miles under London.
4. The Daily Prophet
5. Arsenius Jigger
6. No—it was 'a tiny grubby-looking pub' and Harry seemed to think it is only him and Hagrid who could see it. Harry is surprised inside it is dark and shabby and the people treat him strangely and all want to shake his hands which he didn't expect!
7. He is nervous because he stutters. That he has changed in his personality since his experience meeting the vampires.
8. 8
9. Billowing
