

## EYFS Learning Project Week 9- Ascension Day

This week's learning project looks a little bit different; that is because this Thursday (21<sup>st</sup> May) is an important day in the Christian calendar - Ascension Day.

Ascension Day marks 40 days since Jesus rose on Easter Sunday and is the day Jesus permanently rose to Heaven to be with God.

Unfortunately, we can't mark this special day together but hopefully this week's learning will help. As always, we'd love you to share your learning with us; you can do this by emailing us photographs to [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk) or [twitter@canonburrows.co.uk](mailto:twitter@canonburrows.co.uk). You can also tag us on Twitter (@canon\_burrows) or Facebook (Canon Burrows CE Primary School). We can't wait to see what you have done.

Because this week is a bit different, the activities are not organised into days; instead you might want to do one or two boxes a day.

Please take a look with your child at the Family Digital Prayer Adventure Map to use during the week.

Here are the instructions which explain how to use it;

### Photography

Ascension Day is a perfect time to think about our amazing world that God has created; this will be our focus for our entries for this year's Spirited Arts Competition – a competition we have previously won. As part of your learning this week, we would like you to take photographs that answers the question '**Where is God?**' for you. We would love you to write a few sentences to explain your photographs too.

Please send your photographs and explanations to [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk), using **Spirited Arts Competition** as your subject. We will choose the best to be submitted to the national competition.

### Reading

Read the information about Ascension Day using the Power Point on your home learning page. Discuss what happened after Jesus died and rose again at Easter.

Use the Twinkl hotspot presentations to find out more. The [first one](#) shows Ascension Day when Jesus went to heaven and the [second one](#) shows what Christians do on Ascension Day today. To use these you will need to set up a Twinkl account using the details at the bottom of this document.

### Writing

Draw a picture of your favourite things in God's world.

Can you add labels to your drawings?

Can you write a sentence about what you have drawn?

### Wondering

Talk about . . .

- your favourite part of God's world and why they are important to you.
- why it is important that we look after God's world and how we can do that?
- what you would change about God's world?
- How could you make God's world even better?

### Create

Can you draw or paint a picture of what you think heaven might be like?

Can you take a photograph to show 'Where is God?' for the Spirited Arts Competition?

### Be Active:

Go for a walk and find the most amazing thing that God created.

***Recommendation at least 2 hours of exercise a week.***

### STEM Challenge

You will need a paper/plastic cup, some paper and some string.

Can you make the picture of Jesus go up into the cup? How will you do it?

Top tip: you might need an adult to help you put a hole in the top of the cup.

### And don't forget about . . .

These are lots of other things to keep you busy if you need them.
