

## W/C 25.05.2020: Learning Project - The Rainforest

**Age Range:** EYFS

Hello everyone,

We hope you all enjoyed last week's learning project focused on Ascension. It was great to see work from those of you who have sent in some of the activities you have completed – please keep them coming, we love to see your learning! Enjoy this week's learning project focused on The Rainforest.

As always, we would love to see examples of your work, you can send this work to us via:

 [@canon\\_burrows](https://twitter.com/canon_burrows)  
 [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk)

Happy Eid to all of our families who will be celebrating this weekend!

We hope you and your families are all well and happy, remember to keep a good balance of learning, fun and rest!  
Get in touch with us if you have any questions or need a little more support or guidance with any of these projects.

Have a great week,

Miss Mackenzie, Mrs Lataster, Miss Schofield and Mrs Vaughan

This is a lovely resource to share with your children, especially around Mental Health Awareness week and whilst emotional wellbeing is becoming more of an issue for some children during these uncertain times. Can your child complete any of the 14 day wellbeing challenges?

Weekly Reading Tasks	Weekly Phonics Tasks
<b>Monday-</b> Watch <a href="#">Go Jetters: Amazon Rainforest</a> . Can your child tell you where the tree frog was found? What sound did it make? Which rainforest insect steals the picnic? What happens when the tree frogs aren't there to eat the ants?	<b>Monday-</b> Ask your child to find different things around the house/garden. Can they segment each word into sounds i.e. c-u-p (cup), b-e-d (bed) t-ea (tea), ch-air (chair)? If they are able, they could write these too.
<b>Tuesday-</b> Help your child to look through cookery books for a recipe involving cocoa/chocolate. If you have the ingredients, make the sweet treat!	<b>Tuesday-</b> Think of words to describe the rainforest animals - each word should start with the same letter i.e. <b>m</b> ad, <b>m</b> unching <b>m</b> onkey or <b>l</b> arge, <b>l</b> oving <b>l</b> ion.
<b>Wednesday-</b> Ask your child to use pictures from a familiar story book to make up their own story or to retell their favourite story.	<b>Wednesday-</b> <a href="#">Daily Phonics</a> - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud a-n-t) or written.
<b>Thursday-</b> Enjoy listening to online stories together including: <a href="#">Slowly, Slowly</a> , <a href="#">Slowly Said the Sloth</a> and <a href="#">The Tiger Who Came To Tea</a> .	<b>Thursday-</b> Play 'I Spy in the Rainforest'. ' <i>I spy, with my little eye, something beginning with t.</i> <b>CHALLENGE:</b> Change it to ' <i>I spy, with my little eye, my word includes the digraph ee</i> ' - 'Tree'.
<b>Friday-</b> Ask your child to read these tricky words: <b>I, no, go, to, the, into, he, she, me, we, be.</b> <b>CHALLENGE:</b> Ask your child to find these tricky words in the stories you are reading.	<b>Friday-</b> Play the <a href="#">Word Machine</a> - Ask your child to read each word carefully. Match the correct word to the picture. If you get it right, you will hear a clap. Click 'Next' and have a go at another word.
Weekly Writing Tasks	Weekly Maths Tasks- Number Recognition and Counting
<b>Monday-</b> Say or write a list of all the animals you would find in the rainforest. <b>CHALLENGE:</b> Can your child think of an animal for each letter of the alphabet e.g. a=alligator, b=bird.	<b>Monday-</b> Use this <a href="#">tens frame</a> to practise making different amounts. Or, your child can practice making amounts to 10 using different objects from the garden e.g. leaves.
<b>Tuesday-</b> Talk about the rainforest with your child and ask: What can you see? What can you hear? Ask your child to draw a picture of the rainforest and write a sentence about what they can see or hear.	<b>Tuesday-</b> Practice writing the numerals to 10 and then up to 20 if your child is able. You could do this in chalk in the garden, using felt tips, crayons or anything that will engage your child.
<b>Wednesday-</b> Use this <a href="#">animated letter formation tool</a> to help your child practise	<b>Wednesday-</b> Play this <a href="#">Ladybird Spots-Counting, Matching and Ordering Game</a> .

letter formation. You can select those they find most challenging.	You can tailor the difficulty to your child's level.
<b>Thursday-</b> Using the story <a href="#">The Tiger Who Came To Tea</a> , draw a picture of the tiger and label the picture using words to describe him e.g. stripy fur, sharp teeth.	<b>Thursday (theme)-</b> Make a garden trail using arrows made from sticks. Ask your child to follow the trail and identify the direction. This could be done on your walk.
<b>Friday-</b> Ask your child to create a rainforest animal mask then talk about the sounds that different animals make. <b>CHALLENGE:</b> Can they write a sentence to describe the animal e.g. <i>I like the monkey. He is cheeky. He jumps in the trees.</i>	<b>Friday-</b> Use a teddy and count forwards and backwards making deliberate mistakes. Can your child spot the mistakes? Mistakes can include omitted numbers, repeated numbers or a number in the wrong place. <b>CHALLENGE:</b> Ask your child to spot the mistake when the numbers are written down.

### Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the world's rainforests. Learning may focus on the plants, animals and insects that inhabit the rainforest, food that originates there and weather patterns. It could look at plants and animals that can be found in the garden too.

#### Which Animals Live in the Rainforest?

- Watch this [video](#) about animals in the rainforest. Can your child tell you about some of the animals that live in the rainforest? Can they remember any facts? Can they describe the animals?.
- Ask your child to make their own explorers outfit (e.g. binoculars, sunhat, backpack) and head out to the garden or on your daily walk. What creatures can your child find? Are they similar to any you might see in the rainforest? Take photographs.

#### Draw a Picture of a Rainforest Animal on the Computer

- Ask your child to draw a picture of a rainforest animal. Can they use computing software to recreate their picture? Try Paint.

#### Play the Animal Jungle Quiz

- Listen to the clues. Can you match the clue to the correct animal?
- Click [here](#) to create your own jungle. Drag the animals onto the picture. Where do you think the animals should go? Why? i.e. *on the ground, in the trees...*

#### Make a Collage of a Rainforest Animal

- Use collage to create your own rainforest animal using recycled materials from around the house. Share your finished creation to inspire others on Twitter at [#TheLearningProjects](#).

#### Make an Animal Home

- Create an animal home e.g. a bug hotel using things from the garden. Use a plastic tub or cardboard box. Ask your child what the animal will need in the home in order to survive.

### STEM Learning Opportunities #sciencefromhome

#### Rainforest Materials

- A rainforest has lots of tall trees and grows in warm countries that have a lot of rain. People use the wood from the trees to make paper and furniture. They also take lots of ingredients like sugar and oil to make food. [Here](#) you can find a list of food and ingredients that grow in rainforests.
- What plants can we find in the garden? Can you name the different parts of a plant? Stem, leaves, branches, roots, flower? Try using some of the material found in your garden to make something useful. For example, [a nature paint brush](#).

**And don't forget about . . .**

- Continue to use [Oxford Owls](#) to access lots of reading books so you can read daily.
- Visit [the Oak Academy](#) for lots of lessons.
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [Numbots](#). Your child can access this programme with their school login.
- [IXL](#)- Click here for [Reception](#). There are interactive games to play and guides for parents.
- [Twinkl](#) - Click on the link and sign up using your email address and creating a password. Use the offer code UKTWINKLHELPS.
- [Tameside Music Service](#) - a Facebook lives singing session **every Wednesday morning at 10am**. It is pitched at EYFS children but probably suitable for year 1's as well. All you need to do is go onto the Tameside Music Facebook page.
- [Tameside Music Service](#) – Go to <https://www.GMmusiconline.co.uk/yumu> Your username is: p961580 . Your password is: mezzo Click on the Log In button. Click on the world to get started.
- [Tameside's Early Years' Service](#) sessions are being delivered via Facebook.  
<https://www.facebook.com/growintameside/> This might be of interest to some of you. The team are delivering story time, singing and other activities
