

CANON BURROWS' NATIONAL SCHOOL SPORTS WEEK 2020

@ HOME

Monday 22nd June - Friday 26th June

What do I need to do?

All you need to do is use the template uploaded onto your Home Learning page to record your results of each activity during the week. If you can't print it off, you can use the template to create your own version.

All of the staff would love to see your videos of you completing the activities. You can:

- email them to admin@canonburrows.co.uk
- upload them to [@canonburrowspe](https://twitter.com/canonburrowspe)

We don't want you to do this on your own. Why not get your parents, carers, siblings and the whole family involved?
