Children should be dropped off/collected by **one** parent from their household. It is against current lockdown rules for parents to collect other children unless they form part of a support bubble.

Please drop off and collect swiftly with no loitering.

Please use the footprints on the carpark to ensure social distancing.

Please adhere strictly to your start and end time to ensure the safety of children and adults.

Please call the office on 0161 330 4755 or email [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk) with any messages and enquiries rather than approaching the school gate to speak to staff.

Thank you for your continued support and patience.

All the children have now begun their My Happy Mind lessons. To help you to support their learning at home and understand further what they are learning, please register for the parent app at [myhappymind.org/parents](http://myhappymind.org/parents)

EYFS parents & carers - If you haven't yet sent in wellies for your child to access the valley, please can you try to get some this weekend. Please ensure they are named before sending them into school. They will be kept in school until Half Term.

EYFS will be having an aspiration day on Thursday 22<sup>nd</sup> October. The children will be coming dressed up as what they want to be when they grow up.

If there any parents who have an exciting job that would be willing to send us a simple video about their job, then please let us know – e.g. I am Bella's mum and I am a teacher. I love my job because I enjoy working with children and seeing them learn and try lots of new things and do things that they did not think were possible. This makes me smile. Please send them to [reception.20@canonburrows.co.uk](mailto:reception.20@canonburrows.co.uk)

Citizens of the week

Mr Clark & the Year 6 eco team, for making Pebbles a wonderful new home

Here is a reminder of the days your child has PE & therefore the days they should wear their SCHOOL PE kit - yellow PE T-Shirts and blue PE shorts (football kits or fashion items etc. will not be acceptable) to school and trainers. Plain blue or black jogging bottoms and their school jumper should also be worn if the weather is cold. This reduces the need for changing in school.

These are the current P.E. days for each year group.

Reception - Wednesday  
Year 1 - Monday & Tuesday  
Year 2 - Thursday & Friday  
3MM - Monday  
3JL - Friday

Year 4 - Monday (indoor) & Friday (outdoor)  
Year 5 - Wednesday (outdoor) & Friday (indoor)  
Year 6 - Wednesday

Can you help provide family, friends and other community members with information and support to help protect them from Covid?

Please make sure you regularly check your emails, as this is our main method of communicating with parents. It is also important to visit the school website for letters, year group pages and other school information.

### Harvest Appeal

Thank you to all those who have already bought tickets for the 'Canon Burrows Camp Out'. Tickets are selling fast on the app until Friday 9th October for a minimum donation of £5, so get in quickly!

The Camp Out will take place on Thursday October 15th, with each bubble being invited to attend; EYFS & Year 1 for 30 minutes, Year 2 and above for an hour. During this time the children will enjoy firepit storytime, an outdoor film experience and hot chocolate.

Don't forget all the children are also being asked to bring in some or any of the following items that are in desperate need:

Tea, coffee, tinned foods, sugar, socks, underwear, shower gel, feminine hygiene products, handwash, handwash, washing up liquid & roll-on deodorant.

These need to be brought into school before the Camp Out event.

## This week we have shown our Christian value of **thankfulness**.

Christians believe that God loves and cares for them in many different ways in all aspects of their life. They know that their response to this provision should be one of thankfulness and praise.

Although we can't come together in the hall for collective worship at the moment, we have been worshipping together in our classrooms virtually. Today we focused on what we are thankful for since coming back to school. We shared lots of different ideas, but most of all, we are thankful that we are able to all be together again.
