Dear Parents and Carers,

As we are now in a four week Nationwide lockdown, now feels a good time to impress upon you the importance of following school procedure at drop off and collection time. As a school we are working tirelessly to ensure that school can remain open for as long as possible, but we require your co-operation to do this.

We have received a number of complaints from fellow parents that the expectations and routines we have set out are not being adhered to.

For everyone's safety here is a reminder:

- **Parents should wear face coverings at drop off and collection time, unless medically exempt.**
- **Parents should drop off alone.**
- **Parents should social distance at all times using the markers provided on the playground.**
- **Parents should not loiter or have conversations with other parents.**
- **Parents should adhere to their allocated drop off and collection times.**

We ask that you do these things to keep yourselves, your families, your children and our staff safe.

Please help us to keep school open and safe.

We thank you for your support.

Miss S Fildes
