We would like to take this time to wish each and everyone of you a Merry Christmas and a Happy New Year. Thank you for all your support this term with all the changes that we have had to make to our school routines due to the Covid-19 situation. We hope you all stay well over the holiday period and continue to follow government guidelines to keep yourselves and others safe. We look forward to seeing all the children back in school on Monday January 4th 2021.

Year 6 enjoyed toasting their marshmallows, having hot chocolate and listening to some Christmas stories on Thursday evening, as they finally got chance to have their camp out.

Our Posadas have finished their journeys this week. Thank you to all those families who have looked after Mary & Joseph during the past few weeks.

The children all enjoyed watching both the KS1 nativity and the KS2 carol concert on Thursday in their classrooms. The links for these performances have now been emailed out to parents/carers. We hope you enjoy the performances. Thank you to all the children and staff for their hard work to ensure we have been able to enjoy this tradition, albeit in a different way this year. Thank you to all those parents/carers who have made a donation towards the cost of videoing the performances.

Covid-19 reporting arrangements over Christmas

School have been asked to remain contactable between December 19th and December 24th, so that parents and carers can make contact and inform of any positive cases in school and school can therefore complete the necessary contact tracing.

The following arrangements are in place regarding positive cases in the holidays:

- For the first 6 days after school ends (December 19th – December 24th), if a pupil or staff member tests positive for coronavirus, having developed symptoms within 48 hours of being in school, please email Miss Fildes: suzanne.fildes@canonburrows.co.uk. Miss Fildes will then advise any close contacts to self-isolate by email, as the individual may have been infectious whilst in school. It is therefore important that parents and carers check their emails daily for the 6 days after school ends.
- Where a pupil or staff member tests positive for coronavirus, having developed symptoms more than 48 hours after being in school, the school does not need to be contacted. Parents and carers should follow contact tracing instructions provided by NHS track and trace.
- Where pupils are required to self-isolate due to a positive result or contact with a positive case after December 24th, school does not need to be informed about their absence until January 4th 2021. This can be communicated by leaving a voicemail on the school telephone number – 0161 330 4755 and a subsequent email to admin@canonburrows.co.uk

For all their extra hard work this term with our extended dinner times.

This week we have shown our Christian value of **trust**.

Trust is the basis of all stable relationships, including a person's relationship with God. It is rooted in truth, and will grow through consistent experiences of reliability and integrity. God's commitment to humanity is seen in his willingness to trust ordinary people with the carrying out of his purposes through history.

As Christmas draws closer, it is the perfect time to reflect on the people involved in the first Christmas. God didn't choose the rich or royal to be present at Jesus' birth but Mary and the shepherds - people he trusted. It is important to remember at this busy time of year that we are God's people and he trusts us to do his work.
