Attendance:
Well done to this week's attendance winners– 6AB

Your support for your child's education is invaluable and the benefits pupils gain from being at school every day cannot be underestimated. Thank-you!

This week we have shown our Christian value of generosity.

God's generosity is best described as 'grace', love given freely without limit or conditions. This generosity, once experienced and acknowledged by an individual can in turn release a generous spirit towards others.

As a school, we are good at showing our Christian value of generosity when raising funds for charities; thank you to all those who bought raffle tickets for the Marine Conservation Raffle. However, this week we have also been showing how we can be generous with our time and skills. Wednesday was National Numeracy Day. We spent a lot of time, working together to solve some maths problems, being generous with our skills to help others. God has given us all many skills that are unique to us and it is important that we use our generosity to share those with others.

Well done to all Year 6 and Year 2 for completing SATS.

**Congratulations to all the confirmed children,
It was a lovely service.**

Thank you to 1AL parents for coming to their class assembly- It was great!

Thank you Nursery parents for joining in with the REAL project.

Health and safety at the beginning and end of the school day is really important. We have been informed that some parents and carers have been pulling in on the yellow lines at the front of school on Oldham Road and on Anglesey Road to drop off children from their car. This is dangerous for the children coming into school, so please could we ask parents and carers to refrain from doing this. Please could we ask that parents try to walk, park and stride or park safely and accompany their child to the school gates.

Children are not to come into school with backpacks.

Next week is Saw week we are celebrating GROWTH!

[Parenting Smart - My child is anxious](#)

If your child seems anxious – for instance, they're not their usual self - take time to understand what's going on. Take a look at our free tips for parents and carers.

[6 ways to cope if you're feeling anxious](#)

Place2Be's Principal Educational Psychologist, Dr Julia Clements, shares some tips on how children and young people (and even adults) can cope in moments of feeling anxious.

https://www.place2be.org.uk/about-us/news-and-blogs/2023/may/6-ways-to-cope-if-youre-feeling-anxious/?utm_source=Place2Be+E-news&utm_campaign=69b04e1c3f-MHAW_EMAIL_CAMPAIGN_2023_04_20_03_22_COPY_01&utm_medium=email&utm_term=0_-62d5d0ded0-%5BLIST_EMAIL_ID%5D

Nursery

We have had some keen litter pickers in Nursery this week, helping to look after the natural environment.

Reception

The Reception children have been using positional language to explain how to create cube models.

Year 2

Year 2 are learning how to tell the time to the hour.

Year 3

Year 3 have been creating their own shopping lists to add and subtract money.

Year 4

The sun has come out to shine on Year 4's shadow artwork!

Year 5

Whilst out and about on their Geography fieldwork, Year 5 spotted and waved to some of the residents at Downshaw Lodge. This is where they send their friendship project work to!

Year 6

Year 6 have been creating mathematical board games to practice their fluency and reasoning skills.

Fundraising

Story

A group of our teachers are teaming up with a company in Manchester to raise money for a charity which supports and promotes research to better understand the causes of baby deaths, improve maternity safety and save babies lives.

Sands works in partnership with health care professionals, trusts and health boards and offers a range of training programmes and bereavement care resources to ensure that every bereaved parent and family receives the best possible care wherever they are in the UK.

We are running the Manchester 10K and would love to raise as much money as we possibly can to help this charity. Any donation means a lot and can go towards helping lots of families.

We are delighted to let you know that the EYFS Bunny Hop just before the Easter Holiday raised £396.00 for this wonderful charity.

We are so proud of all of the children and to you and your families for the donations.

We are now waiting on a visit from Woody so that we can present the cheque.

Please support us if you can

We are currently in the process of beginning to organise the 'Green Fair' for the end of the Summer Term.

We would like to have a bigger raffle with more appealing prizes and this is where you come in.

Do you work for a big company who would donate a fabulous prize for the raffle – cash, tickets, treatments, days out, vouchers, electronics or anything else you can get us? 😊

Do you work for a local business who would be willing to donate a prize to us ?

Do you have your own business who could donate a prize in return we will mention your business around the school community?

All contributions will be gratefully received.

If you are able to help or support in anyway please get in touch with Mrs Lataster before the Whit holidays.

Prize donors will receive recognition of their generosity in our newsletter, website, printed on the raffle ticket itself, in the event program and live at the event.

We look forward to hearing from you.
