A reminder that next Tuesday (July 20th) the children are all invited to come to school in their own clothes and classes will have a chance to visit the ice-cream van. Parents must pay for the ice-cream in advance on the app, which will close on Sunday 18th July. If you are struggling to access the app please contact the office, as no cash can be brought into school for the ice-cream van.

The Year 6 children have enjoyed taking part in Bikeability this week, they learnt how to check their bikes to ensure they are safe before riding and many learnt to ride safely on the roads.

On Tuesday, the Year 4 classes' performances in A Midsummer Night's Dream, as part of the Children's Shakespeare Festival, were shared with parents and with children across school.

The newly-opened 4C community centre in the grounds of Christ Church will be holding a 'uniform swap shop' over the summer. It will be open from Saturday 24 July. The centre is looking for clean, useable uniform, school shoes and PE kit from Waterloo Primary, Canon Burrows and Canon Johnson schools, as well as Happy Hedgehog Nursery.

Parents are invited to bring their child's old uniform and take what they need. It's designed to provide some support with uniform costs and help the environment too by getting more use out of the items.

A donation box is in reception, so donations can be isolated. If you have any uniform that's ready to donate, please bring it down and place in the box in a carrier bag.

Anyone with specific requests can get in touch with the centre via [https://www.4cashton.org.uk/contact\\_us](https://www.4cashton.org.uk/contact_us). The centre can also be found on Facebook and Twitter through the handle @4CAshton.

The children have found out today, via video messages, who their teacher will be in September.

Please can you ensure your child has a named sun hat and water bottle in school.

Please could you also remember to put sunscreen on your children before they come into school, especially in the current hot weather. Children who are able to reapply the sunscreen themselves may bring in a bottle of sunscreen labelled with their name. Staff are unable to apply sunscreen for the children.

The Reception children have had a great time at their grand Royal Ball today (16<sup>th</sup> July). Thanks you for all the wonderful outfits the children have come to school in.

Citizens of the week

Peyton, Hamza, Uzair, Joshua & Felix, Year 6  
for showing perseverance when learning to ride a bike this week.

## This week we have shown our Christian value of **courage**.

Basic to Christian faith is the claim that God is always present in every situation. This belief has led to great acts of courage that have included facing danger and opposition, overcoming fear, making a stand for what is right and encouraging others to persevere. Through prayer people have found the strength to help them to be courageous.

This week, Year 6 have completed their Bikeability course; for some children this has meant learning to ride for the first time and for others mastering riding safety around cars on the road. When learning a new skill, we always need to show some courage, taking the risk that at first we might not succeed but also looking forward to the sense of pride we will feel when we do.

Mrs Thompson is looking for some talented knitters, who can make us some Nativity sets for Posadas in the build up to Christmas.

If you would like to be involved, please contact Mrs Thompson via the office to receive a copy of the knitting pattern.

Thank you for all the book donations that have been made for our pop-up bookstall, we would still be very grateful for further donations of books in good condition so that the bookstall can pop-up again in the Autumn Term.

## Fuel 4 Fun Summer Programme

Marcus Rashford MBE and Henry Dimbleby MBE (the co-founder of Leon who leads the National Food Strategy) and the Food Foundation are working together to help promote the Government's new Holiday Activities and Food (HAF) programme. The HAF programme provides free places to all children eligible for benefits-related free school meals.

In our area, Active Tameside is putting on activities to ensure that children from disadvantaged backgrounds can enjoy healthy food, take part in lots of great activities and hang out with their friends as well as making new ones, along with food hampers.

This is in addition to the supermarket vouchers for children in receipt of free school meals.

Booking forms for the food hampers and holiday camps have been sent by email, as attachments, with this issue of Friday News.

# From the Office

Please could all parents/carers make sure that they are checking emails regularly and check that notifications are turned on, on their SchoolComms App. We are sending out lots of electronic communication at the moment and we don't want you to miss any important messages.

## Alternative pick up arrangements

Please can parents/carers ensure that they let the office know if someone else is collecting their child, where possible by 2pm each day. This ensures that those who are sending children out are aware that they are going with another adult. Please can you also have a password ready, so we can ensure the identity of the person on arrival this will be recorded for future use.

## Children's belongings

Please can parents/carers ensure their child(ren) have everything they need at the very start of the school day in order to avoid multiple visits from parents/carers and other family members/friends to the gate. This will reduce the number of objects being passed from person to person and help reduce the risk of spread of infection.

## Nursery Places

Parents of children currently attending Canon Burrows, who have a younger sibling approaching 3 years of age, can apply for a nursery place. Please contact the office for more information.

## Appointments during the school day.

Please can we remind parents/carers that wherever possible non-emergency appointments should be booked out of school hours to reduce disruption and lost learning time.

If your child has an essential appointment, please screenshot appointment letters & cards and e-mail them to the school office: [admin@canonburrows.co.uk](mailto:admin@canonburrows.co.uk) as this will also help reduce the number of contacts.
