EYFS have celebrated Chinese New Year today (Friday) with a dragon parade, eating noodles and other activities for the Year of the Rat.

Our new breakfast club is now open with lots of fun activities for the children to take part in including mindfulness colouring, dancing, hula hooping and games. There is also lots of tasty treats from the school kitchen such as porridge, pancakes, crumpets, toast and cereals. There are still some places available every day and the app is open to book a place for your child. Next week the children will be celebrating with Chinese New Year activities and food.

Year 6 have received a letter from Angela Rayner, in reply to all the letters they sent her last week. She has praised all our great work in plastic free week and in trying to make our school plastic free.

The school councillors had their junior inspection training with Mrs. Thomas on Thursday in preparation for the junior inspection which will take place on Thursday 6th February.

The bees that were designed in Arts Week last year have now be put up around school in our bee trail. GSH took RAL out around school and Year 1 went out with Year 5 to find all the bees and write down the first letter of each bees name to spell out some of our Christian Values. There are 22 bees in the trail to commemorate those who lost their lives in the Manchester Arena bombing in 2017.

Please can we ask all parents/carers to remind their children about 'Stranger Danger' and how they can stay safe on their way to and from school.

On Thursday, Year 1 walked down to Christ Church. They went to identify features of a church and see what symbols they could find around the church.

Please can all those children who have a part in the church service this Sunday arrive at church at 10.10am in their school uniform.

EYFS will be having a Superhero Day on Friday February 7th. EYFS children can come to school in their own clothes or dressed as a superhero.

Thank you to all those parents/carers who were able to come along to the Year 4 Come & See sessions this week. We hope you enjoyed all the times tables activities and have been using them at home to practise with your children.

Please can we remind all children who are planning to hold a charity stall, that they are not to bring products containing nuts into school as we have children & staff with nut allergies.

From the Office

Out of School Clubs

There are some out of school clubs which still have places available. The app has now reopened for these clubs and will close on Friday 14th Feb. If there is no longer a payment option for that club, it means it is now full.

Please could you email, text or phone the office if you book your child on to a club, so that they can be added to the register, as the app will only be checked once a week.

For safeguarding purposes, if your child is unable to attend a club please let the office know or send a text to 0161 850 0004.

Please can all parents/carers ensure that they sign in at the office if they are coming into school for any reason.
